

## **Stark Caverns School Field Trip Pricing and Information 2021**

Stark Caverns is a natural fit to bring science and history to life to enrich your school based or home-based curriculum. We offer a range of experiences for youth and teachers based on group size and curriculum interests. Our educational materials and activities for grades K-8 have been developed in partnership with the Museum at Prairie Fire in Kansas City, and are aligned with Missouri Learning Standards.

### **Standard school tour groups with a size of 1-9 students, appropriate for grades K-12. (may be combined with a public tour group)**
