

Stark Caverns School Field Trip Pricing and Information 2022

Stark Caverns is a natural fit to bring science and history to life to enrich your school based or home-based curriculum. We offer a range of experiences for youth and teachers based on group size and curriculum interests. Our educational materials and activities for grades K-8 have been developed in partnership with the Museum at Prairie Fire in Kansas City, and are aligned with Missouri Learning Standards.

Smaller standard school tour groups | Home school groups with a size of 1-9 students, appropriate for grades K-12. (may be combined with one of our standard daily tour groups)

- \$8.25 per student
- \$16.50 per adult
- Each student will receive an educational bingo card
- Complimentary admission for 1 teacher and 1 bus driver
- This tour is approximately 1 hour long

Enhanced school tour groups requires a minimum size of 10 or more students, appropriate for grades K-12 (private tour guide included)

- \$6.00 per student
- \$11.00 per adult
- Complimentary admission will be included for 1 chaperone for every 10 students (*Stark Caverns encourages schools or home-based education groups to bring along chaperones or teachers to supplement the experience for the students. We request that each participating group bring 1 parent/chaperone per 10 students*)
- Complimentary admission is included for all teachers and bus drivers
- Includes an arrow head replica for each participating student up to 5th grade
- This tour is approximately 45-55 minutes long per group
- Larger group sizes will be further divided into groups of 20-25, included in this count are students and parents, each group will have its own private tour guide.
- Divided groups are taken into the cave in 15-minute intervals with no more than 75 participants (3 groups of 25) in the cave at any point in time, with that in mind larger groups of 75 or more will need to adjust times accordingly.

School tours with the educational program / classes in the cave, requires a minimum size of 30 or more students, appropriate for grades K-8 (private tour guide included)

- \$8.00 per student
- \$10.00 per adult
- Complimentary admission will be included for 1 chaperone for every 10 students (*Stark Caverns encourages schools or home-based education groups to bring along chaperones or teachers to supplement the experience for the students. We request that each participating group bring 1 parent/chaperone per 10 students*)
- Complimentary admission for all teachers and bus drivers
- Groups with 30-75 students will includes our 3-core “classes in the cave” activity stations: Cave Eco-Systems, Missouri Archeology and Earth Sciences.
- Groups with 76-100 students will include our 3-core activity station plus an additional station on American Settlers
- Groups with 101 or more students will include all 5 of our available activity stations: Cave Eco-Systems, Missouri Archeology and Earth Sciences, American Settlers and Cave Mapping
- This tour is approximately 1-2 hours in length depending on group size, larger group sizes will be further divided into groups of 20-25 participants, included in this count are students and parents. Each divided group will have its own private tour guide who will alternate them between stations. Groups larger than 125 participants will need to arrive in staggered intervals.

We accept check, cash or credit cards for payment either at the time of arrival, or by advance invoice. We do recommend paying on the day of arrival in case attendance numbers change.
